### MESSAGES, THOUGHTS AND REFLECTIONS FROM THE HEAD

Welcome back after the half term break - the children have all settled well with a positive approach to learning. Over the half term break, we installed a lasting memorial to Mrs Sally Edwards, our Office Manager, who very sadly passed away in May 2022. Thank you all to those parents, staff and friends of the school who donated funds to make this memorial possible. We all miss Sally, but now have a focal point to remember our Laburnum Queen Bee!

### OUTDOOR LEARNING, FOREST SCHOOL AND WILDLIFE AREAS

We are really pleased to say that we came second in the Tesco Blue Token collections and will receive £1000 to support the development of our outdoor learning areas and therefore improve the facilities for your children. We are also in the process of arranging delivery of our trees and hedgerow plants from our successful Central Bedfordshire tree grant application. Additionally, we have been successful in gaining additional plants from The Woodland Trust. We will update you on progress as things develop and combined with the additional funding from the Co-Op, we are looking forward to significant developments in these valuable environments.

I also need to say thank you to Mrs Tyler (Forest School Lead) and Ms Redford, who gave up a day of their half term break to clear and tidy overgrown areas of The Quiet Garden. This area will be developed into a more formal growing area, with new raised beds, with the Wildlife Area on the field being developed for Forest School and to support many areas of the curriculum, especially in Science, so that all children in school can utilise this resource.

### FLS – CO-OP LOCAL COMMUNITY FUND

Friends of Laburnum School has been chosen to be part of the next round of the Co-op Local Community Fund. The funding round will start on Sunday 22 October 2023 and will run for 12 months until 19 October 2024. During this time, Co-op Members will be able to choose Laburnum as their cause and help to raise funds for our project – wildlife / forest school area. Please consider becoming a member by logging in to nominate Laburnum – and ask your friends and family to do it too! **If you are a member and nominate Laburnum as your chosen charity, we receive more money from anything you spend, rather than splitting it with the other causes.**

Collecting your Amazon online orders has just become more joyful, with a brand-new competition to design an Amazon Locker near your school. Here at Comic Relief, we think it's important to make people smile in places they least expect to.

Your designs will be judged by Comic Relief's very own Lenny Henry!

Could you design something eye-catching to brighten up someone's day? Would you like to see your artwork enlarged and exhibited in your own neighbourhood? If so, get involved and make someone else smile with your creativity. We want you to raise a smile and spread some joy!

Simply start drawing your ideas on a piece of plain white A4 paper and get creative with a colourful, imaginative and original design.

Good luck!

# Relationships shouldn't hurt.

Central Bedfordshire

The Rebuild Programme is a 12-week group programme looking at healthy relationships.

It's designed for women living with domestic abuse in Central Bedfordshire, and will explore what healthy relationships look like, conflict in relationships, the dynamics of domestic abuse and the impact it has on relationships.

It will also give women the opportunity to have a one-to-one with the programme facilitator towards the end of the programme, and make a plan for their future.

The programme runs from children's centres across Central Bedfordshire.

**Rebuild is very gentle, it builds up gradually, first talking about healthy relationships and helps you understand when 'conflict' is actually abuse.**

# POWER PARENTS

Central Bedfordshire

Preventing exploitation through informative and interactive workshops for parents

## Did You know Children as Young as 9 Years old are being targeted and exploited?

Though sadly, no child is exempt from the tactics of perpetrators, there is power in knowing the signs to spot a child at risk, so you can raise the alarm prevent future harm.

Hear from a number of guest speakers including Roseann Taylor, who will be sharing how knife crime has impacted her life and the ways in which the death of her son may have been prevented.
