PASTORAL TEAM SUPPORT: FROM MRS DAWES

As a school we feel that supporting both children and families within our community is of utmost importance. As such, I want to ensure that our pastoral team are available to you. Mrs Hutchison (HLTA: Pastoral/Nurture Support), Mrs Boyall (SENDCo) and I (Mental Health and Wellbeing Lead) are working together to make sure that we are available and easily contactable. As such, I will be available from 9:00-10:45 every Monday and will be contactable in person, by phone, Class Dojo or email. If you would like to meet with me during that time, please do get in touch. I will, of course, be able to meet at other times as well, but this time is blocked in my diary.

Whether you have any worries, concerns about your child or something else, need signposting to additional support services or just a chance to talk or offload - our door is open.

ECO-COMMITTEE: FROM MISS WRIGHT

We are very excited to share with you that we have opened up applications for our new Eco-Committee. From September the Eco-Committee will work together to provide the tools to promote and develop sustainability throughout our school. We will involve teachers, pupils and members of the community to ensure that everyone works together to improve the quality of our school and encourage environmentally friendly changes.

Applications are open to all children in Key Stage Two. The deadline for applying is **Friday 8th July** and our new Eco-Committee members will be announced on **Friday 15th July**. Two children from each class will be selected. If your child is interested in applying for a position on the Eco-Committee, then they can collect a job description and application form from their class teacher. We are really looking forward to our Eco-Schools journey and we will keep you updated with how we are getting on!
