Friday 3rd July 2020

Dear Parents and Carers

Thank you for choosing Laburnum Primary School for your child for September 2020. We look forward to welcoming you and your child as you begin (or continue) your school journey with us. We are writing to tell you a little bit about the preparations for starting in Nursery. We are conscious that these are unique times and we would like to reassure you that despite this, preparations are well underway to welcome your child to our school.

At Laburnum, your child's social and emotional needs are paramount and we understand that many children have found it challenging to be away from Nursery or preschool for a long time and for some children this is their first experience away from home. To ensure your child has a positive first experience or reintroduction to Nursery, to enable them to settle effectively in their new environment and to build strong relationships between the adults and children in their class, we are delaying the start of Nursery until Thursday 10th September to enable all children and their families to have the opportunity to meet staff and see the setting.

In normal circumstances, we would hold several play and meet sessions and conduct a home visit just before your child starts with us. Home visits are an opportunity to find out more about your child and to see them in a familiar setting. In September, we have organised a play and meet session/school visit (instead of a home visit), where you and your child can visit the Nursery Classroom and speak individually and confidentially with the Nursery staff. These sessions will take place during the week beginning 7th September. Your session is as follows:

Child's Name:	
Date:	
Time:	

Please confirm with the school office that you can attend at this time. Once you have received all of the information from school, please do not hesitate to contact us via the details on the website and we will get back to you as soon as we can.

Kind regards

Mrs Sue Boyall
Reception Teacher
Early Years Leader
