

Evidencing the use of the PE and Sport Premium funding: Action plan and Impact Review

The DfE Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

The funding has been provided to schools to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the funding to:

- develop or add to the PESSPA activities that your school already offer
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools need to ensure **impact** against the following 5 Key Indicators:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE, Sport and Physical Activity being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and Sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

It is a statutory requirement of Ofsted, under their Common Inspection Framework, to ensure that information on the use of the Primary PE and Sport Premium and the impact it has had on pupils PE and sport participation and attainment is available on the school website by **31st July 2021**. Schools also have a responsibility to publish on their website the % of children who achieve the expectation for swimming by the end of Year 6.

***In the case of any under-spend from 2019/2020 which has been carried over this must be used and published by 31st March 2021**

Funding cannot be used for:

- employment of coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- teaching the minimum requirements of the national curriculum – including those specified for swimming
- funding capital expenditure

This year, because of the COVID epidemic, P.E is being delivered in a different way – with minimal equipment with bubbles within bubbles. We are still providing the statutory 2 hours Physical Education within the curriculum, but unfortunately we have not been able to offer the usual varied after school activities.

Another target from the government is for all children to have at least 30 minutes of physical exercise at school in addition to the statutory 2 hours of P.E.

We continue to participate in the Golden Mile as well as staggered break and lunch times times to enable all children to have the opportunity to remain physically fit whilst adhering to COVID regulations.

It remains our intention to gain the Silver School Games Award when the situation allows.

Our PE aims continue to be:

- to deliver a broad variety of extra-curricular opportunities outside of the school day to engage all students in Physical Education, Sport and Physical Activity. (if COVID restrictions allow)
- to offer all our pupils competitive opportunities within and school in a wide range of sports.
- to focus on the importance of developing an active and healthy lifestyle.
- to develop sports leadership in our students.
- to encourage and develop our Values Education and actively promote, co-operation, collaboration, tolerance, teamwork, respect and understanding.
- to provide professional development opportunities for staff to enhance Physical Education and Sport.
- to work towards a School Games Mark.
- to maintain and purchase sports equipment to improve teaching, learning and engagement within PE.
- to expose children to a range of new sports in addition to those that are covered as part of the national curriculum.
- to actively seek our pupils' views and opinions, in order to best support them in making healthy lifestyle choices.

Funding from the academic year 2019/2020 that was not spent has been carried over you and is shown below in the following section.

<ul style="list-style-type: none"> ▪ To provide adequate resources during free choice outdoor play. 	<ul style="list-style-type: none"> ▪ Every class provided with a box of simple resources to enable pupils to have easy access to resources they can use individually or together. (see above) 	£0.00	<ul style="list-style-type: none"> ▪ Better use of break times and lunch times with increased activity of pupils when they are allowed to choose their own resources from the selection on offer. 	<ul style="list-style-type: none"> ▪ Monitoring and responsibility of resources by class teachers to ensure they are being used appropriately.

Our plans for the academic year 2020- 21 have been greatly altered due to the COVIC situation and has been revised several times. We remain hopeful that we will be able to offer after school active clubs during the summer term as well as swimming in the school pool. The areas in red are those that will only be possible if the COVID restrictions are lifted.

Meeting National Curriculum Requirements for Swimming and Water Safety

The pupil outcomes of the statements below <u>must</u> be reported on the school website for the current Year 6 cohort	
What percentage of Year 6 pupils can swim competently, confidently and proficiently over a distance of at least 25 metres?	%
What percentage of Year 6 pupils can use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	%
What percentage of Year 6 pupils can perform safe self-rescue in different water-based situations?	%
Schools can choose to use their Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	YES/NO
