

Evidencing the use of the PE and Sport Premium funding: Action plan and Impact Review

The DfE Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

For six academic years, beginning in September 2013, the Government has allocated extra funding to schools in the form of the Sports Premium Grant. This grant is designed to build upon the work started during the London 2012 Olympics in promoting sporting participation to primary school children. This money was designed to be used to improve the delivery and quality of physical education provision within primary schools and to increase children's participation in sporting events.

The funding has been provided to schools to ensure impact against the following Objective and Indicators:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

We would expect indicators of such improvement to include:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

The main focus of spending must be sustainable and leave a lasting legacy beyond the funding allocation.

It is a statutory requirement of Ofsted, under their Common Inspection Framework, to ensure that information on the use of the Primary PE and Sport Premium is available on the school website.

All schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This year we have the addition of year 6 after welcoming Year 5 in September 2019. We bought many resources such as tennis and cricket equipment in order to deliver an exciting P.E curriculum to the older age group. We also subscribe to East Beds School Sports Partnership to provide inter school competitions to all of our year groups from Year 1 to 6.

We will continue to offer an exciting and varied program of after school clubs, at a hugely discounted rate to ensure maximum attendance, with all staff attending some of them and one member of staff supporting several clubs to ensure that we have a working knowledge of all our after school clubs on offer and also to ensure the highest standards are delivered for the benefit of our pupils.

All pupils were again asked what clubs they have attended, enjoyed and their ideas for future clubs. With this in mind we are looking to purchase further equipment that will enable us to meet some of their ideas and suggestions.

Another target from the government is for all children to have at least 30 minutes of physical exercise at school in addition to the statutory 2 hours of P.E.

Our children achieve this in a variety of ways including a morning outdoor break, an active session indoors when inclement weather prevents us from using the outdoor areas, sufficiently resourced lunch time activities and the Golden Mile which all children are expected to take part in at least three times a week. Mr Bardell has purchased trophies that are awarded every week to the year groups that have run the most miles.

We are very proud that we attained the Bronze School Games Award in 2019 -20 and are hoping that we will achieve even more this year.

Our PE aims:

- to deliver a broad variety of extra-curricular opportunities outside of the school day to engage all students in Physical Education, Sport and Physical Activity.
- to offer all our pupils competitive opportunities both within and beyond school in a wide range of sports.
- to focus on the importance of developing an active and healthy lifestyle.
- to develop sports leadership in our students.
- to encourage and develop our Values Education and actively promote, co-operation, collaboration, tolerance, teamwork, respect and understanding.
- to provide professional development opportunities for staff to enhance Physical Education and Sport.
- to work towards a School Games Mark.
- to maintain and purchase sports equipment to improve teaching, learning and engagement within PE.
- to expose children to a range of new sports in addition to those that are covered as part of the national curriculum.
- to actively seek our pupils' views and opinions, in order to best support them in making healthy lifestyle choices.
